## **WOODWARD PARK RECREATION CENTER NEWS**

### **THANK YOU WOODWARD PARK!!!**

I began my time here @ WP in August of 2001 and now it is time to say good bye. I have been named the temporary Center Manager at Carriage Place Recreation Center.

When I came here in 2001 I was not sure what to expect. I knew a little bit about the center and was friends with the past staff, but was unsure if I would enjoy myself here. Boy was I wrong! It has been the best time of my career and I am sad that I will not be continuing here @ WP. There have been a lot of changes since I came here, personally and professionally.

My twins, Isabella and Geno were born in 2002. They joined their older brother, Anthony, to make our family complete. This is the only center my children have known and they loved it. They all played basketball and T-Ball here as well as participating in our Halloween & Holiday Parties and Easter Egg Hunts. They always wanted to come to work with me and they have met some really good friends. My wife, Missy, always enjoyed herself here at the games and meeting such wonderful folks.

I am sure that when I came there were some people who wondered if the center would survive. I made some decisions that may have not been liked at first, but after they were done and it was apparent that they were for the better of the center, people were pleased. We were able to expand the basketball and soccer programs to be at the very top in the City. We brought in some great programs such as youth volleyball, line dance, cheerleading, self defense, and Zumba. Our gymnastics program has consistently been good and our wrestling program has been the best in the City for the past 3+ years. The Street Hockey program has really taken off and in December we will conduct the 10<sup>th</sup> Annual Holiday Tournament!

I have been blessed to work with some awesome people. From the full time staff, part time staff, contract employees, and especially all the great volunteers, we have had a great time. Our CRC has been the best and they have helped me a great deal in making decisions that were best for the center and community.

I know the center is in great hands with George Wilson directing. He will have a good staff to work with and you will continue to see programs thrive under his leadership.

I thank all of you for your tremendous support throughout the years. I have enjoyed every single minute of my time here and will miss this center and the community a great deal. Thanks!
